CHIP SEAL APPLICATION

Kalkaska County Road Commission
1049 Island Lake Road
Kalkaska, MI 49646

Gentlemen:

We, the undersigned, propose to furnish and supply all necessary labor, equipment, and materials for the Kalkaska County Road Commission's "Chip Sealing" program. The material used must meet current MDOT specifications. We agree to supply all labor and equipment necessary to complete the "Chip Sealing" operations, including traffic control in accordance with the Kalkaska County Road Commission's "Chip Seal", "Fog Seal" and "Crack Seal" specifications at the specified locations and prices listed on the attached Bid Sheet.

Traffic control operations must follow the requirements set forth in the current Michigan Manual of Uniform Traffic Control Devices.

All roads within the project must be clear of debris prior to the application.

All work must be completed prior to September 1, 2020 unless otherwise specified.

The following roads are to be included in the project list under this agreement. Additional roads may be added in this summer.

ROADS TO BE CHIP SEALED

Chip Seal

1. Crofton Road, from U.S.-131 south to Boardman Road (22' width) for 2.4 miles (approx. 30976 Syd).
2. Creighton Road, from Boardman Road south to Ingersoll Road (24' width) for 5.0 miles (approx. 70400 Syd).
3. Boardman River Road, from Supply Road north to the end of asphalt (24' width) for 0.6 miles (approx. 8176 Syd).
4. Woodman Road, from Shippy Road east to Butler Road (22'-26' various width) for 2.2 miles (approx. 31044 Syd).
5. Pine Street, from U.S. 131 south to Boardman Road (22' width) for 0.3 miles (3667 Syd).
6. Valley Road, Seeley Road northwest to Dundas Road (22' width) for 2.2 miles (approx. 28395 Syd)
7. Wood Road, from U.S. 131 west to Ridgeview Rd (24'-28' width) for 2.5 miles (approx. 37259 Syd)

Sub-Total Chip Seal Projects = 15.20 miles
