The Kalkaska County Road Commission is an Equal Opportunity Provider and Employer

REQUEST FOR BIDS – DUST CONTROL MATERIALS

Sealed bids will be received until 9:00 a.m., Wednesday, February 3, 2021, at the office of the Kalkaska County Road Commission, 1049 Island Lake Road, Kalkaska, MI 49646, for furnishing the following:

2021 DUST CONTROL MATERIALS

Bids must be submitted on the Road Commission's bid form. Bids need to be received in a clearly marked sealed envelope stating "DUST CONTROL MATERIALS." Bids will be opened at the regularly scheduled meeting of the Finance Committee at 9:00 a.m. Wednesday, February 3, 2021. Awarded bids will be approved at the regularly scheduled meeting on Wednesday, February 10, 2021.

DUST CONTROL MATERIAL:

- 1. Providing documentation stating the product to be applied is a tested product and qualifies to be applied to the roads and meets KCRC minimum concentration requirements prior to application.**
- 2. Material shall be applied to the complete width of the road +/-1 foot.**
- 3. For one application of dust control material on the roads within its County (approx. 266 miles) and if a township would like to do additional round on their township.**
- 4. Filling out all required permits for the application of spreading of the brine (State, County Road Commission) prior to application.**
- 5. Provide proof of liability insurance naming the Kalkaska County Road Commission insured in the amount required by the R.O.W. permit prior to application.**
- 6. Equipment utilized in brining must be capable of maintaining a set application rate regardless of the equipment's travel speed.**
- 7. Explain how the equipment noted above is calibrated to determine the application rate in proposal.**
- 8. Must provide a daily log of mileage, brine usage, roads completed upon completion of application and load tickets indicating source and quantity.**
- 9. State the Warranties and Guarantees in proposal.**

KCRC shall be responsible for:

- 1. Providing a map of the roads to be brined.**
- 2. Notifying contractor when brine needs to be applied.**
- 3. Ensuring roads in which brine is applied are prepared for application.**

Other Dust control Material:

- 1. Bidders are invited to bid out other dust control material as well.**

Neither Kalkaska County Road Commission nor participating townships' shall accept invoices containing fuel surcharges or additional charges that have not been approved by the Kalkaska County Road Commission.

The Kalkaska County Road Commission reserves the right to adjust quantities, to accept or reject any or all bids, to waive any irregularity or defect in a bid or to accept that bid which is in the opinion of the Road Commission is in the best interest of the county. Application rate shall be .17 gallons per SYD. Higher application rate will be @ the discretion of the contractor and will not be paid for by KCRC.

Requirements for the following materials:

10#/gal Oil Field Brine spread \$/Gallon _____ @ .17 gal/per SYD

Mineral Water min 26% spread \$/Gallon _____ @.17 gal/per SYD.

Calcium chloride Min 26% spread \$/Gallon _____ @.17gal/per SYD.

Mineral water Min 26% \$/Gallon _____ Delivered to Yard.

Calcium Chloride Min 26% \$/ Gallon _____ Delivered to Yard.

All supplies of Oil Field Brine are required by law to follow the rules cited below and meet all DEQ Requirements:

- 1) Contracts involving an application service only may be billed by a flat rate.
- 2) The county must be completed by June 1st 2021.

All work must comply with Kalkaska County Road Commissions acquired MDEQ annual permit for Groundwater Discharge.

Thank you for your bid.

John Rogers, Manager
Kalkaska County Road Commission

AFFIDAVIT OF EQUAL OPPORTUNITY

As a condition of obtaining and/or maintaining a contractual relationship with the Board of County Road Commissioners of the County of Kalkaska, State of Michigan, it is hereby certified that this contractor, supplier or contracting organization agrees to provide equal employment opportunity to all employees and applicants, and will not discriminate against any employee or applicant for employment because of race, color, religion, national origin, ancestry, age, sex, height, weight, marital status, political affiliations, or beliefs, or citizenship, as required by law. The contractor covenants that applicants are and will be employed, and that employees are and will be treated during employment, without regard to their race, color, religion, national origin, ancestry, age, sex, height, weight, marital status, political affiliations or beliefs, or citizenship. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising; layoff or termination; rate of pay or other forms of compensation; and selection for training, including apprenticeships. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provision of this non-discrimination policy.

On behalf of this organization, I hereby certify that compliance with the above Equal Opportunity Policy is now and will continue to be maintained.
